MOMENTUM Programme

Welcome!

Momentum is a gathering and day of celebration for **all ages**, hosted by the Baptist family in Wales. We are so glad you're here today! This year, we will celebrate **the gift of the spirit** to the church, yesterday, today and tomorrow!

Join **Cynan Llwyd**, General Secretary of Cytûn, exploring how the church's calling to seek peace can shape society. Using the 1925 church leaders peace appeal as a conversation starter, this session invites fresh reflection on the church's mission for peace in our communities and nation.

Helen and Craig from **Cardiff Baptist College** will be teaching and equipping us in their seminar on 'the Spirit who Unites - and Divides!' Jesus' prayer was for unity - but there are other times

when the Spirit of God leads us in prophetic ways so that we feel it is only right to break fellowship with others. Join us to explore when we might honour the Spirit's calling for unity, when we might follow a prophetic move to separate, and how we might discern the difference.

We are excited to welcome **Dr. Belle Tindall** as our opening speaker at Momentum as she explores how the living words of God speak to us in an ever-changing world. Belle - originally from Pembrokeshire - is an author with a doctorate in Biblical studies, staff writer at the Centre for Cultural witness and co-host of the 'Seen and Unseen' podcast.

We are thrilled to have **Aniu Kethoser** with us in Momentum 2025. Aniu is a theologian and apologist who serves in northern India with BMS and will be sharing in his seminar both from the Bible on how the Spirit works and from his experiences in global mission

Join **Laura-Lee Lovering** and friends from *BMS World Mission* during their seminar for a global perspective on creation care and the church. Hear stories of how God is at work transforming lives through the work of BMS World Mission and learn lessons for our own contexts.

Join **Simeon, Mark and friends** as they share stories of the Spirit's work in churches across Wales. Come along to be encouraged and give thanks for the many ways in which God is at work today in communities across Wales.

We are glad to have Sarah Butt with us running interactive drop-in sessions in the chapel on '**the Spirit who Renews**', with space all day long space to be still, be creative, share and receive prayer.

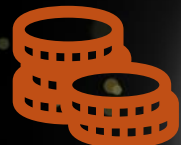

As well as enjoying worship and talks at Momentum, today is an amazing opportunity to connect with each other – whether that is over a coffee at the **Halliwell Café**, or in the stall area, where our friends from **BMS World Mission** would love to connect and share with you how you can join with God's local and global mission!

Throughout the day, the Anna Chaplaincy will have a stand in the Chapel – please visit!

A collection for BMS World Mission will be made in the closing celebration – with options to give in cash and online via <https://bmsworldmission.org/give/>

The **ICE Wales** team have prepared an engaging session for children ages 5 -11, exploring the dynamic and living words of God for themselves! @ COTH ROOM

The children's sessions will run from c. 11am - 12:30 pm (drop off during opening worship), and then from 1:30 – 3:30 pm

A creche space will also be available for parents to or carers and children under 5
