- We give thanks for churches across Wales, and **for each church** connected to the BUW family. We give thanks for all the communities they serve across Wales.
- We pray that the Lord will bless each one of them, and **pour His Spirit on them afresh** this year - for the work of His kingdom.

## BUW Leaders

- We give thanks for **each of our ministers** who have been faithful in serving their communities across Wales - some for many years. We pray that each one will experience the strength and anointing of the Lord as we go into this year.
- We give thanks for the **work of the Rev. Judith Morris** over ten years of service as BUW General Secretary. We pray every blessing for her as she comes to the end of her period of service.

## New General Secretary

- We pray that the Lord would lay His hand clearly on the appointment process of a **new General Secretary** for the BUW. We ask for wisdom and the **leading of the Holy Spirit** for all who are part of the process.
- We pray that the Lord will **prepare the man or woman** He has on His heart for the role.

## Spiritual Climate in Wales

- We give thanks for the initial signs of a shift in the spiritual climate of **many communities in Wales** that have come to our attention through reports such as 'The Quiet Revival' (Bible Society) and reports on the ground from some of our churches.
- We give thanks for individuals, families or areas where **we have seen the hand of the Lord at work** recently in our own context.
- We lift up in prayer individuals and people God has placed on our hearts, that **they will come to know the Lord Jesus** for themselves, even this year.

**Prayer for Wales** – As we mark St David's day this year, we remember how the history of this nation has been so flavoured and influenced by the light of the gospel through the ages. We pray again: 'Your Kingdom Come' in Wales. In a year of political changes in the Senedd, and many feeling the uncertainty and instability of our times and world keenly, we pray that the Lord would strengthen His church, and that the power and light of the gospel will touch communities across this land once again.
