Finding
His WAY

Welcome!

Our Speakers & Seminars

Momentum is a gathering and day of celebration for **all ages**, hosted by the Baptist family in Wales. We are so excited you're joining us this year! We are launching a new three-year journey of "**Finding His Way**", as we consider what it means to pursue Jesus in our own lives, in the church, and in the world. This is an invitation to be rooted in prayer, dynamic in mission and radical in discipleship. This year we will be asking the question: how can we "Find His Way" and keep in step with Jesus in our own lives?

We are excited to welcome **Dot Tyler from 24/7 Prayer GB** as our keynote speaker at Momentum this year as she explores what it means to be a disciple of Jesus – listening to His voice, encountering His presence, and praying for His will to be done in 'the secret place' of prayer, which can powerfully impact our own everyday lives – as well as the world and people around us! *Dot will also be joined by a team from 24/7 Prayer!*

For the first time this year: we are excited to be running an interactive **prayer room** throughout the event, supported by the 24/7 Prayer Team! Join us as we seek the Lord in prayer - for our lives, for our communities, and for our world. You don't need to have a specific prayer request to come - simply come available, hungry for God, and ready for the Lord to meet you in prayer!

24-7 PRAYER

We are thrilled to have **Trystan Owain Hughes** with us this year as one of our seminar speakers. Trystan is an author and theologian who has written a number of books exploring faith's response to suffering. Trystan will draw on his recent experience of walking 140 miles along the North Wales Pilgrim's Way, as well as his long journey of recovering from a serious back injury. By holding these journeys side by side, he will invite us all to see our own lives as pilgrimages and to recognise that God can redeem our journeys and transform our everyday experiences.

We are thrilled to have **Sandra Harnisch-Lacey** with us this year as she explores practical ways in which physical movement can help us connect with God, our journeys of discipleship and our faith. *Note that Sandra's seminar is limited to 15 people.*

Join **Kang-San Tan** and friends from *BMS World Mission* during their seminars for a global perspective on how God can work when His people seek to keep in step with Him! Come to hear inspiring stories of how God is at work transforming lives through the work of BMS World Mission, as well as pray together for what God is doing across the world.

We are also looking forward to welcoming a **diverse intergenerational panel** of voices who represent the breadth of what disciples of Jesus can look like in Wales today. We will be welcoming **Lloyd Thomas** (Christians in Sport), **Tamar Jones** (Young Leader) and **Ruth Kitchell** (Missional Minister) on the panel.

Join **Carwyn Graves** and **Paul Smethurst** as they help us to consider how we might recognise the voice of God in our lives as we seek to "Find His way" in our own life journeys. Carwyn is a respected author, public speaker and natural historian, who also works in the area of mission with BUW. Paul is a Missional Minister in Breconshire and Pioneer Lead for the BUW, and also has a heart for prayer, mission, and discerning the voice of God in our day to day lives.
